- 00:27:13 Judy Coode: Thanks to Jesse and FOSNA for the great work organizing this event
- 00:27:55 Laila FOSNA: Hi everyone from NJ! Thank you all for being here
- 00:28:00 Tamyka Bullen: Pls spotlight the interpreter for my accessibility. Thank
- 00:28:11 Cynthia Rice: Hello from RAelgih, NC. My husband would join but is at the Raleigh NC City Council meeting to give them a little lecture because they did NOT sign a proposed CEASE Fire Resolution. We've been appearing before them for months.
- 00:33:21 Eva: This is great that somebody stood for themselves and organizer solved it! Thank you

- 00:37:09 Arabic Translation: اذا كنت تستمع للعربي أخبرني هنا
- 00:47:10 Pam Thomas-hill: I must confess, as a Christian my faith is being tested, its hard to comprehend the ongoing slaughter in Palestine.
- 00:49:50 Mary Johnson: I agree, Pam. The sense of evil is overwhelming. I keep reminding myself that God is love, and so God is also present in spite of the dreadful evil. Look at Grandpa Khaled! He lost so many family members, including his little granddaughter Reem. He grieves, but he is now taking care of stray cats and doing all he can for others. God is in him, I believe.
- 00:51:45 Tamyka Bullen: Hi TK, I see you. Not the other interpreter.
- 00:51:47 John McDevitt: I remember hearing this statistic at a FOSNA conference back in 2014....detaining 700 children every year.
- 00:52:09 David Azer: Its natural to feel like your Christian faith is being tested. Even Saint Stephen began to have the face of an angel prior to his martyrdom while on trial.
- 00:52:10 Tamyka Bullen: I followed your instruction and I only see you.
- 00:52:46 Teresa Diewert: I just want to say that the signing interpretation is amazing. My heart is breaking as I watch it.
- 00:53:44 Ramez Abi-Akar: Is this horrifying oppression of the Palestinians at the hands of Israelis sustainable?

00:53:57 Pam Thomas-hill: Our disrespect and dehumanization of the Palestinians by those of us who profess the name Christian is staggering.

00:54:16 Mary Johnson: What's tragic is that it would not be if the U.S. were not supporting it.

00:55:03 Mary Sutphin: How can we get Joe Biden to get this? I don't understand what he is thinking? Is he not aware of what you are describing? I do not understand why he is not willing to stand up to Netanyahu....

00:55:15 Ramez Abi-Akar: the children in Gaza are so traumatized- what can be done to help them recover?

00:55:36 Erin Grimm: Don't be deceived by the media cycle that moves on once there's a ceasefire. For decades we've talked about "rebuilding" after 9/11. This happens to Gaza every couple years. We need support groups to sustain us for decades after, for those of us interested in sustainable difference-making in Palestine

00:55:40 John McDevitt: And even if Israel accomplishes the war objectives it is trying to sell to us all, that doesn't mean they are going to stop oppressing Palestinians.

00:55:50 Pam Thomas-hill: Write to them daily, if possible.

00:56:05 Allison Tanner: Replying to "How can we get Joe B..."

stay tuned for ways to take action. there is so much work to do - we need one another and we need to mobilize!

00:56:24 Jesse Wheeler FOSNA: Replying to "Write to them daily,..."

<https://fosna.good.do/gazahospital/UNGA/>

00:56:39 David Azer: Redemptive suffering and intercessory prayer on behalf of the Palestinians.

00:56:58 Paul and Laurie Hanawalt: I agree with Mary Sutphin -- I think our President, Vice President, all of Congress, our state and city representatives need to hear what Zeina spoke, all of it.

00:57:27 Lisa Frevert: The U.S. can stop this genocide with a phone call from Biden to Netanyahu by refusing to continue to supply weapons and munitions. It is our responsibility as U.S. citizens financing this atrocity that we bring every conceivable pressure on Biden to stop (mass marches, voting "uncommitted" in the primary and calls to our representatives. This is on

00:58:15 Karen Weeks: Replying to "Redemptive suffering..."

Please define redemptive suffering. Thx.

00:58:27 Dan Jares: If we start with the concept of apartheid, then we have a model to go forward with South Africa. There was not a "two state" solution there. The way forward was rights for all and truth and reconciliation committees.

00:58:30 Merrill Piera: Lisa , I emphatically second what you are saying !

00:58:34 Maisoon Afaneh: Replying to "the children in Gaza..."

Check out Anar, a Palestinian Trauma support for Palestinian children

00:58:56 Carole Abumoussa: There's been talk of increasing it to 17 billion.

00:59:19 Merrill Piera: I am horrified at what this has revealed about our politicians - most of them.

00:59:56 Mary Johnson: I agree, Merrill

01:00:03 Cynthia Rice: AIPAC lobbying for decades! Insidious. Now we, the US have every one of the dead Palestinians' blood on our hands.

[https://en.wikipedia.org/wiki/Redemptive\\_suffering](https://en.wikipedia.org/wiki/Redemptive_suffering)

01:00:23 Mary Johnson: One thing we must do is get rid of AIPAC. It and the ADL are actually hate groups.

01:00:37 Pam Thomas-hill: Aaron Bushnell showed more empathy towards the Palestinians than our president, et al.

01:00:42 John McDevitt: Replying to "I am horrified at wh..."  
Including my own Senator from PA!

01:01:08 Mary Johnson: Replying to "I am horrified at wh..."  
Mine is Chuck Schumer. He is absolutely awful.

CUFI needs to be held accountable too. We need to expose all of these groups for their hate activities

01:01:13 Patricia Panitz: Replying to "How can we get Joe B..."

Israel is the US's imperialist outpost in the Middle East, which is why Biden supports it so ardently (and has for the past 40 years). Protects the oil interests, mainly. It has nothing to do with Jews or the Holocaust; that is what was used to sell the idea of the establishment of Israel to the public.

01:01:21 John McDevitt: Replying to "One thing we must do..."  
They are lackeys of the Israeli government

01:01:57 John McDevitt: Replying to "I am horrified at wh..."  
Fetterman is one of our senators in PA....he's become a royal.....you can fill in the blank!!!

01:02:12 Paul and Laurie Hanawalt: Replying to "Hello from RAelgih, ..."  
My husband and I have been going to our City Council for the past 5 Mondays trying to get them to sign a resolution for a ceasefire. They won't do it, so we approved a People's Council resolution last Monday.

01:03:02 Patricia Panitz: Replying to "How can we get Joe B..."  
It should be noted that there are vast gas reserves off Gaza's coastline as well (\$50 billion)

01:03:12 Brittany Boone: I agree heavily that there is a big issue with mainstream media not showing what's happening. I've talked to people that do not know what's going on at all. One person thought that Israel and Pakistan were at war. It's horrible! It would be great to somehow mobilize to get more correct information out there

01:03:41 Maisoon Afaneh: Replying to "Hello from RAelgih, ..."

Tell me more about a People's Council resolution! How does it work? Is it available for all cities in the US

01:03:58 Denise Bolus: Replying to "I am horrified at wh..."

Fetterman is awful! It shocked me!

01:04:18 John McDevitt: Replying to "I am horrified at wh..."

He's a pompous.....

01:04:38 Merrill Piera: Replying to "One thing we must do..."

My congressmen here in New York too - Pat Ryan, Marc Molinaro and of course Chuck Schumer and Kirsten Gillibrand. So disappointed in Rep. Jeffries who has turned himself around for AIPAC, etc. and Katie Porter !

01:04:40 Mary Sutphin: Thank you so much Zeina. Just having to repeat all these horrible things must be gut-wrenching for you. It is gut-wrenching to hear it and take it in.....

01:04:45 Cynthia Rice: Replying to "Hello from RAelgih, ..."

I will check into what a "People's Council Resolution" is. We spoke for months and shut the whole meeting down one time. They still didn't pass it!

01:04:55 Karen Weeks: Replying to "Redemptive suffering..."

Thx

01:04:58 Lisa Frevert: Replying to "How can we get Joe B..."

Biden is also the largest recipient of AIPAC funding of any living political figure.

01:05:43 John McDevitt: Replying to "How can we get Joe B..."

Fetterman was paid \$244k by AIPAC

01:05:51 JoAnn Consiglieri: Zeina, thank you for bringing us the TRUTH of what is happening in our foreign policy in the the USA against our Palestinian Sisters and Brothers.

01:06:13 John McDevitt: Replying to "Zeina, thank you for..."

And most especially, the children!!!

01:07:03 Cynthia Rice: Replying to "Zeina, thank you for..."

Thank you Zenia! God soothe you.

01:07:37 Karen: Weapons sales! Weapons companies.

1/2 US Foreign Military aid goes to Israel. Think about the purchase orders!

01:08:40 Carole Abumoussa: I forget which preacher I think it was Pat Robertson he said Hurricane Katrina was a punishment from God

01:09:02 ruth STRAUSS: 4:15 PM

Hi, I tried to go to "eye on Palestine". or g and com--nothing, then searched it and saw that there is something on telegram and some other social media--all I saw as a website was "eyeonmideast

Falwell I think.

01:09:15 Pam Thomas-hill: They are so misinformed on that issue, the UK and other countries did not want to accommodate any Jews and they "installed" them on Palestine lands. I am not certain what bible they read/study, they can borrow mine to educate them.

01:10:13 Mary Johnson: My Pastor suggested I read a book called Jesus and John Wayne to understand some of what's going on in U.S. culture. (I'm Catholic, so this is quite alien to me. I don't understand why our President, who is also Catholic, doesn't oppose this nonsense!)

01:10:48 Dana Ashrawi: Zeina, much love to you and the family and gratitude for the work you are doing

01:10:56 Sandra Kece: Zionism is a death cult.

01:11:22 Carole Abumoussa: The level of political programming

01:11:26 vivian zelaya: That "prayer" sounds more like a curse!

01:11:32 John McDevitt: That sounded cultish to me.

There are several news outlets reporting reliably on Gaza: Middle East Eye, Al Jazeera, The Intercept, 972 Magazine. These all have websites with free news articles and videos.

01:14:47 Merrill Piera: Replying to "I am horrified at wh..."

Yes = more disappointment as I said when I heard Katie Porter after she traveled to Israel - its incomprehensible to me that she doesn't see what is happening. I thought she was so clear-eyed.

01:15:09 mary bowler: Replying to "I am horrified at wh..."

I also follow Democracy Now

01:16:31 Pam Thomas-hill: I proudly voted uncommitted instead of genocide Joe. As a Christian I will not be complicit in genocide.

01:17:01 Carole Abumoussa: John Nelson Darby was from the Plymouth Brethren movement, the movement I grew up in. I grew up between Exclusive Brethren and Open Brethren churches.

01:17:06 Teresa Diewert: Wouldn't you say that these politicians use christianity to their own purposes... 50 million zionist christians is a huge number... I am Canadian and have no trust in the "religious" convictions of any politicians

01:18:19 Dan Jares: Yes, the far right side!

01:18:21 Teresa Diewert: This is so disgusting... and to think he will be in power again. Biden will be no better.

01:18:21 Carole Abumoussa: Ugh this guy is very frustrating. His sermons are equally frustrating, have been for years.

01:18:48 Carole Abumoussa: Reacted to "Yes, the far right..." with !!

They murdered far more than that.

01:19:42 John McDevitt: Replying to "May 15, 2018: When I..."

On that day.

01:20:00 Carole Abumoussa: Wow I didn't know that. How do we learn more about those cowboys that "fill in" for settlers? And how do we learn about when this happens?

01:20:02 Mary Sutphin: Replying to "May 15, 2018: When I..."

Why isn't this horrific event in May 2018 more well-publicized!!

01:20:09 ruth STRAUSS: I, like Pam Thomas, as an American (and even A;Alabamian!) Jewess, wrote in "uncommitted" on my CA ballot it is way too little and too late, I do think our constant pressure may be doing a modicum of good--as the saying goes, all it takes for evil to appear in the world is for a few good (men) to remain silent

01:20:25 John McDevitt: Replying to "May 15, 2018: When I..."  
They killed over 200 people.

Since I have reached my Elder time in life my capacity for the technology and social media limits the forums I can explore, be informed and nourished by - but I will try - - -

01:20:55 Rose Wayland: These people also ignore the attack by Israelis on Christians in Jerusalem. And Israel ignores their theology that Jews who don't convert will be killed

Thank you for the information about the Martin documentary

01:23:38 John McDevitt: I saw numerous 1/2 American 1/2 Israeli flags just the other day.

01:23:41 ruth STRAUSS: I could be wrong, but yes, I thought he was thrown out of Stanford or Berkely trying to give a talk because he is so racist AND, BONUS, closet anti-semitic

01:23:49 Carole Abumoussa: Wow. That sounds like Hindutva nationalism, but in relation to the US

01:24:05 Mary Johnson: it's very similar.

01:24:27 Maisoon Afaneh: Replying to "I saw numerous 1/2 A..."

I have been hesitant to speak up as I have lost friendships and credibility among people whom I care for, who limit their understanding to TV news (I have no TV) The NY Times, or WAPO and feel adventurous in reading The Guardian.

Middle East Eye ? I will search it out!

01:26:24 Carole Abumoussa: Replying to "Christian Zionism ..."

\*rejected. I've had conversations with people who thought separation of church and state as evil.

Mondoweiss has an excellent podcast, and Al Jazeera's "The Inside Story" podcast is also great

01:27:43 Jeff Conlon: Thank you Mimi so much for that.

01:27:56 Cynthia Rice: Awesome Mimi! Frightening as well!!!

01:28:08 Mary Johnson: it's scary to me that people don't understand how important separation of Church and state is. It's frightening how ignorant of history many citizens are.

01:28:11 vivian zelaya: War, the weapons industry, & Militarism are the greatest polluters of the environment.

01:28:29 Sandra Kece: The electric intifada has accurate coverage of what is going on.

They have a website and do 1 hour updates on YouTube weekly. I also rely on Al Jazeera.

<https://www.indcatholicnews.com/news/49284>

01:39:47 Jeff Conlon: Daniel, many American Christians are so thoroughly deceived by Israeli propaganda and bad theology that it breaks my heart. However, their deceptions must be challenged as it leads to bloodshed of innocent lives.

01:40:38 Cynthia Rice: Daniel, thank you, thank you, thank you!

01:40:38 Kay Coughlin: Replying to "Daniel, many America..."  
Let's challenge them!

01:40:46 John McDevitt: In the West, especially.

01:40:54 Mary Sutphin: Thank you so much, Daniel. I am calling my senators and representative almost every day.

01:41:17 Teresa Diewert: Daniel... you are so right! No need to apologize or explain yourself. The church in the west must decolonize its faith.

01:41:57 Mary Johnson: God bless you, Daniel. Teresa, I agree. The Catholic Church, in particular, must repudiate the Doctrine of Discovery.

01:42:27 Sandra Kece: The Episcopal Church as a whole has been very supportive of Palestine, but they have ties to the Al Ahli Hospital in Gaza, which is run by the Episcopal/Anglican church. But individual churches need to speak out more.

01:42:28 Mary Johnson: Any comments on the scary and insane Third Temple movement.?

01:43:49 Teresa Diewert: Replying to "God bless you, Danie..."  
Not just the Catholic Church... so many protestant denominations participated in the Residential schools in Canada... and I would say... any "settler" on these lands must take to heart the history of colonization.

01:44:01 Maisoon Afaneh: Most main media is owned by Zionist Jews.

01:44:06 Laura Monin: Replying to "I am horrified at wh..."  
Yes. Those Israel trips (fundraisers?) led by priests whitewash Palestinian treatment.

01:44:24 Sandra Kece: Christian Zionists are not "real" Christians as they support this genocide - and their ultimate goal of destroying the Jews is very anti-Semitic!! (Non-Christians will be destroyed in the "end times" scenario they support.)

01:45:53 Maisoon Afaneh: Replying to "The Episcopal Church..."  
They are! Made me consider to become Episcopal Christian at one point 😊

01:47:07 Lisa Frevert: The Presbyterian church has also been supportive of Palestinian liberation but our voices get drowned out by the Evangelical/Zionist Christian community which is such a powerful political block in the U.S.

01:47:39 Mary Johnson: I wish my Church would speak out more—though I love this Pope. But Catholics are hampered by a deep sense of guilt over antisemitism. They don't realize that Zionism is not Judaism. And they don't realize that, now especially, Israel is bad for the Jews.

01:47:43 Patricia Hartnett: I wonder if Christians control the MSM? many large corporate networks I think have Jewish owners or CEO's etc?

01:48:28 Cynthia Rice: Thank you. I had not noticed that they DO leave Jesus's teaching on peace out of the equation.

01:49:03 Sandra Kece: Christian Zionists are turning many away from the church because of their blatant hypocrisy and the desire to impose their beliefs on others.

01:49:54 Jeff Conlon: I absolutely agree that it is a theological crisis which has been going on for many decades. Jesus cannot be found in the fundamentalist preaching. It's thinly veiled white supremacy.

01:50:01 David Azer: We need to repent on behalf of the Christian leaders who mislead their flock. And Lent is the perfect time for it.

01:50:08 Mary Johnson: Agree, Jeff!

01:50:33 Jesse Wheeler FOSNA: Colin Chapman: "I have come to believe that what is at stake is nothing less than our understanding of God, our witness to the gospel, and the credibility of the Christian church."

01:50:34 Jessica Gerhardt: Replying to "I wish my Church wou..."  
I agree. During the prayers for the faithful they just say "for peace in the Holy Land", which is very vague and "both sides-y".

01:50:44 Pam Thomas-hill: One has to be aware that most so-called Christians may own several bibles but do not actually read them, if they did they would not support all the atrocities in the world.

Or better yet, how do you start a conversation there... when what you're saying goes in the face of the person's belief?

02:12:25 Mary Westfall: Was this recorded and can we share it with others? I am an executive with the PCUSA and would like to share this with churches and leaders in my region if possible. Great resources and options for next steps. I am just back from Palestine and Israel, having been part of a PCUSA delegation. . . . Solidarity with the Suffering. Your presentation well reflected the realities we witnessed on the ground there. 02:13:32 John McDevitt: I think it's because he's an insulated figure who has very little contact with the everyday people on the ground.

02:14:00 Brittany Boone: Does anyone have anything shareable that I could send my pastor on HOW christians have supported Israel's genocide? They are taking a neutral stance now, saying that it does not involve them

02:18:31 Huguette Hayden: the work for Palestine is not going to be done by trump.

02:18:31 Nancy Graber: I agree that Biden is not a good choice.... In our bipartisan elections, the only other figure is Trump who seems extremely worse on many counts....

02:22:00 Fara McLaren: Mimi....thank you for exposing the close connection between white supremacy and Christian Zionism that is a product of Europe/North America - the churches here in Canada are either neutral or silent on Palestine and the ongoing genocide as they are silent on their complicity of what has been done to the Original Peoples of Turtle island - specifically around the issues surrounding the role of the church in Residential Schools and Cultural Genocide. Could you please expand on the connection of White Supremacy, Zionism and the Western church? Thanks

02:22:18 Debbie Blane: there are two parts to my message, sorry it got separated

02:22:35 Dawn Fabbro: Biden in his youth was a fierce critic of apartheid in South Africa. I keep praying for that moral compass to be awakened.

02:22:40 Angela LaMonte: Replying to "Daniel, Trump would ..."

Trump would be worse!!

02:22:48 John LoGalbo:Replying to "Daniel, Trump would ..."

Okay, "they" are definitely not "all the same." Trump is committed to accumulating power to take over every aspect of the federal government - and to use its power to reward his "friends" and punish his enemies. His administration would be a nightmare beyond imagination, for America. And he cares nothing for Palestine.

02:24:24 Teresa Diewert: Replying to "Daniel, Trump would ..."  
I feel like our role as Christians is to expose the ways in which we are complicit in the colonial project and work on bringing Christians back to following Jesus. We must understand that the Western governments are not following a Christian trajectory in any way.

02:24:53 Pam Thomas-hill: The lesser of two evil is no justification for voting. Vote your conscience.

02:24:57 Carole Abumoussa: Slavery, ethnic cleansing, genocide, all of it

02:25:12 Gary Doupe: As Daniel has implied, The Divine Promise is conditional upon carrying God's mercy into the land, and beyond it to the goyim (nations.) Jeremiah--in the lection chosen for this coming Sunday by some denominations--asks the people to allow God's covenant to be an imprint upon the heart, making our interactions with others an expression of the Divine blessing.
