00:33:40 Linda's OtterPilot: Hi, I'm an AI assistant helping Linda Kateeb take notes for this meeting. Follow along the transcript here:

You'll also be able to see screenshots of key moments, add highlights, comments, or action items to anything being said, and get an automatic summary after the meeting.

00:44:35 Lita A. (NYC): Thank you to all USA students who bravely call for peace for Palestine and Israel ❤️

00:46:56 Joy AI-Sofi: I have recently learned that the first Zionists were Christian in England.

00:55:03 Rosemarie Pace: Why can't they build a third temple elsewhere? Seems the idea of a third temple anywhere and at the site of the Al Aqsa Mosque in particular is just to wipe out even more Muslim, Arab, and Palestinian people from the region. NOTHING to do with religion. Yes?

00:56:00 Rosemarie Pace: Orthodox Hasidic Jews do not believe or support the state of Israel at all, let alone Orthodox Israelis claiming that this third temple is what's needed to make peace!

00:56:35 doug thorpe: Thanks for hosting this -- it's important.

00:56:50 Linda Rose: Thank you for saying that - it was obvious to me, even in their choice of name for the attack - that it was related to the continual attacks on the mosque which have been disgraceful and brutal

00:57:18 walter fircowycz: al aqsa an important site

00:57:41 Rosemarie Pace: I was at the Al-Aqsa Mosque in 2015. While we were there, Jewish men came charging through the grounds. They were quickly pushed out, but they were there even then trying to attack.

00:58:22 Erin Grimm: Thank you so much

00:58:24 Stephanie Trasoff: Thank you!

00:58:41 Ikram Masmoudi: Thanks so much Alex! So organized!

00:58:55 Jesse FOSNA:

00:58:59 Patricia Panitz: Wonderful presentation - very informative!

00:59:10 Donald Wagner: thanks Alex for a brilliant concise presentation. Don and Linda

00:59:28 Mindy Shaffer-Rochester NY: Afflicted with Hope A poem by Mahmoud Darwish  
Peace has two parents: freedom and justice. And occupation is the natural begetter of violence. Here, on this slice of historic Palestine, two generations of Palestinians\* have been born and raised under occupation. They have never known another – normal – life. Their memories are filled with images of hell. They see their tomorrows slipping out of their reach. And though it seems to them that everything outside this reality is heaven, yet they do not want to go to that heaven. They stay because they are afflicted with hope.

00:59:31 Carolyn Jose: Since this is being recorded will it be available for us to listen to later and share?

00:59:39 Jesse FOSNA: Replying to "Since this is being ..."  
Yes

01:00:15 Stephanie Trasoff: Can you imagine the world's response if some country started saying they intended to destroy Saint Peter's and build something for themselves only?

01:00:38 Nancy Roberts: What biblical verses do the Christian Zionists base their claims on?

01:00:55 Linden Jenkins on unceded Massachsett land a/k/a Cambridge MA US: What is Shadia's last name? Thank you

01:02:12 Rose Esber: Replying to "What biblical verses..."

Excellent question! Can FOSNA provide a list of verses?

01:02:26 David Brown: Greetings from Philadelphia, where Penn, Drexel, Temple and others of our many area universities are on the rise to end the genocide.

01:02:27 Mary Mathena: Greetings from Mary Mathena in Virginia Beach, Va

Stephen Sizer has a lot on his website, and biblical responses [www.stephensizer.com](http://www.stephensizer.com)

Here is a link to basic verses used by Christian Zionists and how to answer them

01:04:21 Kevin Bushnell: Nancy, Gen 12:1-3 are classic vss. But also Rev 11:1 and following where the assumption that "the Temple" must be in the future since the presumption is that the book was written after the destruction of Herod's temple in AD 70.

01:04:29 Ramzy Wahhab: How can we disconnect Israel from the Old Testament to the Israel of today. The Christian Zionists want us all to think that they are one and the same

01:04:36 walter fircowycz: any AMIGOS out there?

01:05:04 Nancy Roberts: Thank you Kevin!

01:05:18 Mariah Leung: LDS Mormons are very much involved in our government; remember Orrin Hatch and Mitt Romney. I think I remember reading that the LDS church is second in wealth only to the Catholic Church.

01:07:13 Linden Jenkins on unceded Massachusett land a/k/a Cambridge MA US: A new and important book by Mitri Raheb, *Decolonizing Palestine: The Land, the People, the Bible* where he identifies, perhaps for the 1st time, the existence of Liberal Christian Zionism and describes how it is worse than Evangelical Christian Zionism.

01:07:38 David Knoppert: Brian McLaren's new book "Life After DOOM" and his 2022 book "Do I Stay Christian" address so many of the issues that we are talking about today. Brian will be in London, Canada on May 12th., and his lectures will also be available via ZOOM.

[davidknoppert@sympatico.ca](mailto:davidknoppert@sympatico.ca)

01:09:10 Erin Grimm: Thank you. As to the LDS, we need to think about Protestant Christian complicity and Catholic missions before that. Mormons are relatively new

01:10:36 Felicia Elias: "Doctrine of Discovery" important concept in the political colonial arena....justified genocide of natives and land theft in US - absolutely same in establishment of state of Israel.

01:10:43 Stephanie Trasoff: Thank you, Shadia!

01:10:57 Linden Jenkins on unceded Massachsett land a/k/a Cambridge MA US: Indigenous lawyer Steven Newcomb's book Pagan in the Promised Land is a deep dive into the origins of the Doctrine of Discovery which he more aptly calls the Doctrine of Christian Domination.

01:11:51 Shadia: Yes, Steve Newcomb's book is highly recommended. Also, Charles, Mark, and Soong-Chan Rah. Unsettling Truths: The Ongoing, Dehumanizing Legacy of the Doctrine of Discovery. Downers Grove, IL: IVP, an imprint of InterVarsity Press, 2019.

01:12:41 Felicia Elias: Also highly recommend MARK CHARLES Book!!!

01:15:19 Rosemarie Pace: Is this a return of Christ? I didn't think these Jews believe in Christ. Wouldn't they just be still waiting for the first arrival of the Messiah?

01:17:05 Alistair Bingham: Replying to "Is this a return of ..."  
They don't, but they like their support.

01:17:42 Carole Abumoussa: Do they not also use the verse "Destroy this temple and in three days I will raise it up"?

01:17:50 Erin Grimm: OMG re: Daniel 26-7 interpretation

01:18:57 Mourice Mrabe: Verse 27 explains/expands on the previous verse of destruction.

01:19:33 Alistair Bingham: Greetings all from Ireland (occupied North, lol)

01:19:43 Rosemarie Pace: Replying to "Is this a return of ..."

Thanks. I just realized this is talking about the Christian Zionists who supposedly believe in Christ and are awaiting his return. If they really believed in Christ, however, they'd have to be much more Christ-like: Love your neighbor as yourself. Love your enemies. They who live by the sword will die by the sword. Forgive not 7 times, but 70 x 7 times. And so much more.

01:20:08 RevRalphGalen@gmail.com: Perhaps we're actually talking about a red herring.

01:20:57 Rosemarie Pace: Time for these Christian Zionists to read the New/Christian Testament, not just the Old/Hebrew Testament!

01:22:09 marianna harris: We've had lots of sacrifices in Gaza!

01:22:10 Mourice Mrabe: Exactly!

01:22:17 Gary Dunn: If Christian Zionist pastors truly understand the Bible, what is the benefit to them to continue to feed dispensationalism to their congregation? I understand that the late Jerry Falwell received a jet from the leader of the Irgun "terrorist" group and the eventual prime minister of Israel, Menachem Begin

01:25:17 Rosemarie Pace: This verse from John is consistent with the belief of the Hasidic Jews who oppose the state of Israel. It's not about the land, they say; it's about the Spirit.

The students are doing alright, y'all.

01:26:11 Stephanie Trasoff: I strongly recommend the film "Christspiracy"!

01:29:01 James Dwyer: This seems to be a literalist interpretation of the Christian scriptures without reference to Biblical criticism.

01:30:25 Jennifer Mountain: With respect, all the texts that are being quoted are post destruction of the Temple at 70 CE. The gospel authors are 'prophesying backwards'.

01:32:09 Erin Grimm: Dr. Sizer is addressing the Bible through the hermeneutics of the Zionists in order to counteract Zionist rhetoric. These are rebuttals and not a theology textbook. I can't imagine reading Zionist books seriously, thank you for doing this for us, Mr./Dr. Sizer

01:35:04 Stephen Sizer: Replying to "This seems to be a I..."

That is the only way to convince and convict Christian Zionists - or they will dismiss us as liberal heretics and only they take the bible seriously

01:33:49 Helen Paynter (Centre for the Study of Bible and Violence): Bravo. The Church desperately needs to get a handle on decent biblical theology.

01:33:53 Rosemarie Pace: Excellent! Thank you!!

James, are you referring to what Dr Sizer offered, or the theology he was refuting?

01:36:23 Maria Khoury: Before my question; identify myself; currently in boston; 30 years in Taybeh, Palestine; the holy land; taybeh beer; 1st palestinian boutique Taybeh winery; taybeh golden hotel; 1st palestinian brew pub also; happy to hear our Lord Jesus is our new 'Temple' but our we next in the West Bank? Will they make us into 'sand' 'dust' like Gaza; I see these wars just pushing Christians out of the Holy Land ; what is our future to survive ?

01:36:45 Amber Smith: I am sorry, I did not introduce myself before posting. I am Amber Lane Smith, active with the International Schiller Institute and organizer with the collaborative International Peace Coalition, in the US and work with many different organizations to pull together the collaborative spirit needed to find a durable long lasting peace. Centered most recently the Oasis Plan, I will insert a very short 5 minute video here and that will be the last I will post. Thank you for your forbearance.

01:39:03 Andre Lefebvre: "Post-Gaza" is a deeply distressing term...

01:39:27 Diane Holmlund: I believe we have to be mindful of Super-secessionism via texts from John and Hebrews that can be read as anti-Judaizing by the early, Pauline Church. The work of Dr Amy Jill-Levine addresses this of New Testament texts. We also have to realize

the fight in Jesus' time between the temple-based blood sacrifice system of the Sadducees vs the replacement of blood sacrifice by the decentralized, synagogal prayer based Pharisees of Hillel and Gamaliel

01:39:44 Richard Murray: Great to be here!  
Sorry all, I'm at a friend's house and am a bit out of place. May have accidentally been on my cell phone video earlier, hope it wasn't chaotic on the Screen! Thank you!

01:41:27 Spencer Bradford: Replying to "I believe we have to..."  
That would be the Dr. Amy-Jill Levine who also has advocated in The Christian Century that Christian rejection of Zionism is anti-Semitic?

01:42:15 Mourice Mrabe: Defending the true Christian faith  
01:42:57 LeAnn Herigstad: This is our responsibility to oppose theology that is harmful to our neighbors.

01:44:48 rev. addie domske: → What is your definition of Christian Zionism? Does it include any groups you belong to?

01:45:11 Todd G. Glanz: What are the citations of the 2 readings today?

01:45:13 Kevin Bushnell: Replying to "This verse from John..."  
First, Hasidic Jews don't necessarily oppose the State of Israel. Second, I think you mean to say Orthodox Jews. The Hasidic groups are within Orthodox Judaism. Chabad and Satmar are two well-known Hasidic movements. (The Satmar movement is opposed to the State of Israel.) Hasidic Jews follow their Hasid as their interpreter of Scripture. But the vast majority of Orthodox Jews are Talmudic where they have their Rabbinic body of leaders who work to interpret the Scriptures together.

01:45:29 Richard Murray: A question:  
Agreed, Christian zionism is an absurd oxymoron.  
However, how much study has been put into the Zionist hostile takeover of various Christian sects in the U.S.?  
Israeli pm Mencahim Begin, the terrorist, gave one of big American pastors (Falwell?) a Leer jet. A big project of the Israeli Zionists has been to take over American Christianity.

01:45:33 Joy Al-Sofi: When anti-Zionism is equated to Anti-semitim, and when the world decides that Zionism is an unmitigated disaster, who is likely to be thrown under the bus?

01:45:47 LeAnn Herigstad: I have had to stop listening to some liberal radio hosts due to their Zionist positions

01:46:16 Erin Grimm: I changed churches and don't go to white churches anymore

01:47:23 Dorothy Pearson: Christian Zionists are exclusive in their practice, Jesus was inclusive.

01:47:35 Teri Nilson Baird: Christian Zionism strictly supports the modern nation state of Israel in an attempt to bring about the second coming of Christ. I would leave a group immediately if I found CZ advocated.  
While Biden is a Christian and a Zionist, I don't think he fits the description of CZ.

01:47:35 Susan Wilder: PCUSA = Presbyterian Church (U.S.A.)

01:47:49 bibi Khalifah: Intellectualising Christian theology to justify colonialism.

01:48:02 Andre Lefebvre: DECOLONIZE CHRISTIANITY!

01:48:10 Gary Dunn: Christian Zionist believe you can't be a Christian if you don't support Israel. Joe Biden (according to what he said) is he is a proud Zionist, and that his father always told hime, "You don't have to b Jewish to be a Zionist".

01:48:11 Mary Gene Boteler: Replying to "PCUSA? unpack the ac..."  
Oh, I thought you were asking about other PCUSA acronyms.

01:48:16 Alistair Bingham: My parents, evangelicals in their 70s, defend Israel reflexively, and believe i have fallen for "terrorist propaganda". And they actually visited Israel a few years ago. "None so blind..."

01:48:21 Jeff Conlon: Christians who support Israel are using theology to justify their political (violent) beliefs about Israel's right to destroy Palestinians. I may be a little cynical at this point.

It's almost tribal in the North isn't it?

01:49:15 Mindy Shaffer-Rochester NY: I am not part of any Zionist organizations. I equate christian (small c) Zionism with right wing evangelical christians who use the Bible for their use and are not following in Jesus' steps.

01:49:21 Jessica Sun: Replying to "zJoe Byden a Zionist..."  
He is a self-proclaimed Zionist

01:49:23 Alistair Bingham: Replying to "My parents, evangeli..."  
'tis

01:49:23 Lloyd Miller: Biden calls himself a Zionist.

01:49:36 Carol Robison: Christian Zionism is in part a settler colonial project at least in the U.S.. Many of our white churches sit on unceded land taken from Indigenous people under the Doctrine of Discovery. We are ourselves, settler colonialists so the challenge is to dismantle the normalization of the ways we have acquired land in the name of Christ.

01:49:38 Helen Paynter (Centre for the Study of Bible and Violence): Replying to "My parents, evangeli..."

So many good people misread their Bible thinking that the promises made to OT Israel relate to the modern nation-state of the same name. We need better biblical literacy, and better teaching from the pulpits.

01:49:38 Sally Campbell: Replying to "zJoe Byden a Zionist..."  
Yes Mary he is

01:49:39 rev. addie domske: I will get more into this in another webinar →  
<https://linktr.ee/addiedomske>

01:49:46 Diane Holmlund: Replying to "I believe we have to..."  
@Spencer Bradford not necessarily, but she does cite the numerous texts that show the theological anti-Judaizing of the Pauline Church that have so often led to historical anti-semitism

01:50:48 Barbara Bell: Replying to "zJoe Byden a Zionist..."  
Definitely!

01:50:55 rev. addie domske: → Who's land are you on? (<https://native-land.ca/>)

01:50:55 Alistair Bingham: Replying to "My parents, evangeli..."

Any advice for me (regarding my parents who, i think, are living in a state of excitement in anticipation of the rapture)?

- 01:50:56 Erin Grimm: Thank you Rev. Addie, so healing to see this coming from clergy
- 01:50:56 Coleen H: I accept the definitions of Zionism presented here. I HOPE I'm not part of any such group. I don't think acknowledging Jewish wish to have a safe place to live is Zionism. But the war against Palestine probably is Jewish Zionism.
- 01:50:58 David Brown: I can't state a concise definition of Christian Zionism, especially after being at this webinar. I agree that it needs to include Joe Biden, so I have to think it may include me.

- 01:52:12 Richard Murray: Michael Evans is one of those zio spies whose job is to infiltrate American Christianity. He and others are literally trying to change the doctrine of American Christian groups.  
They have made this a goal for a long time. Consider the horrific Scofield bible. Scofield was a snake oil salesman.

- 01:52:32 Carole Abumoussa: Christian Zionism assumes a Christian responsibility to establish and protect a Jewish state in Palestine, centered around Jerusalem and the Temple. Christian Zionism assumes that the current government entity called Israel is the ancient Israel of the Christian Bible. And thus it assumes the promise "I will bless those who bless you and those who curse you I will curse" applies to the modern government entity called Israel. It assumes everyone all the nations hate Israel but those who love Israel will be blessed and therefore it is the duty of the "Christian" USA to bless & protect Israel.

Regardless, Biden has been a self-proclaimed Zionist since he was a young man.

01:53:23 Linda Rose: Replying to "I believe we have to..."

I have just looked her up and she clearly states that she does not see Jesus as Lord; therefore will not believe in a prophetic word from him; so as Christians we can choose to believe the Gospels were written authentically; or not . What the first comment says is simply this person and the rabbi does not believe in Jesus' prophecy but conveniently uses the benefit of hindsight. I find this incompatible to my faith; but it is a non Christian point of view that can be taken.

01:53:26 Judith Polson: Since reparations are absent for African Americans a tax could be channeled to black organizations as well.

suffering in the world. For me, all ideologies are rafts to get from one side of the river to the other. After the crossing a raft becomes an albatross. Even a "good" ideology can become an impediment. I don't read the Bible as history. Jesus inhabits not a land or a denomination but lives in my heart and mind to the extent I welcome that inspiration and challenge. Religion is at least as disturbing as it is comforting.

Our Labour Leader said he was proud to be a Zionist; he has expelled even Jews from the Labour party if they support Palestine under the label anti-semitic! That is so ludicrous; Jews who are not allowed to choose their own point of view. I put a complaint in to say he is antisemitic for not allowing all Jews to have their own freedom of thought.

01:58:52 Adam Kushabi: The third temple already exists. It's called the Dome of the Rock built by Caliph Abd Al Malik!! It marks the shekinah at the top of Mount Marwa. We don't accept this simply because he may have been a Muslim – part of the Abrahamic family. Note in the nascent stage of Islam, the dome of the rock was the site of pilgrimage just for this reason. (6th Century – prior to Islamic second civil war) Furthermore, there is some controversy regarding the MHMD mentioned in the inscriptions in the inner ambulatory. It is believed they refer to Jesus as MHMD. Note MHMD which translates as "the praised one" was an honorific for a Jewish exilarch in pre Islam.

She's written some good material on interpreting the gospels, but on Paul and anti-Judaism is unconvincing. Not unconvincing about the abuse of New Testament by Christian anti-semites in church history, but about the integral function of the texts (in John, Paul and Hebrews) to Christian self-definition from the first century forward. She advocates the abandonment by Christians of apostolic perspectives on temple, on constitution of God's people, etc. that transgress her definition of anti-Judaism, rather than acknowledge that these very perspectives were and are constitutive aspects of the separation of the church from Judaism.

02:28:47 Tihomir Kukulja: The best medicine against Christian Zionism is the understanding that “all promises are YES in Christ”. NT Wright has explained it well. All geographical and genetical Jewish claims end in Christ who is the fulfillment and consumption of the Abrahamic promise. He is the promised Seed, and through Him the entire human family embraced in Christ. This destroys any theology that would in any way want to justify the ongoing Zionist obliteration of the Palestinian people.

02:28:55 Adam Kushabi: “For over seven decades this process has suffocated the Palestinian people as a group – demographically, culturally, economically and politically – seeking to displace it and expropriate and control its land and resources. The ongoing Nakba must be stopped and remedied once and for all.”

The UN report finds that “there are reasonable grounds to believe” that the threshold for several genocidal acts against Palestinians is met: killing members of the group, causing serious bodily or mental harm and deliberately inflicting conditions of life calculated to bring about physical destruction.

“Israel has de facto treated an entire protected group and its life-sustaining infrastructure as ‘terrorist’ or ‘terrorist-supporting’, thus transforming everything and everyone into either a target or collateral damage, hence killable or destroyable,” says the report.

02:30:16 Jesse FOSNA:

"Loving God of many Names: of Justice, Peace, and Liberation,  
Remind us that lament is a holy practice. Teach us to lament the way we humans forget your good Creation.

Forgive our violation of Creation, of each other.

God of many Names, remind us that our liberation is tied up with each other; that justice for some is justice for no one, and that...

we choose love as our compass,

we choose togetherness as our movement,

we choose life as our motto.

Now let us all breathe in. Now let us all breathe out.

Knowing that our very breath is an act of resistance.

Knowing that as we take that breath we say the Name of God.

Knowing that we breathe together.

As we move from this space today, we may use that life force to seek the liberation of all God's people.

Amen."
